European Management Committee for the ODP (ECOD): ECOD is the acronym for the ESF Consortium for Ocean Drilling. It consists of 12 European countries (Belgium, Denmark, Finland, Iceland, Ireland, Italy, the Netherlands, Norway, Portugal, Spain, Sweden, Switzerland) and has been constituted under the umbrella of the European Science Foundation.

The ultimate decision-making body for matters of interest to the Consortium is the ESF Management Committee for the ODP (EMCO), which reports to the appropriate ESF bodies.
